Our year winds to a close as we come to elections for the TC Motoring Guild Board of 2011. Voting- always in November, watch for your ballot which will include the Frank Mason Award Nomination. Voting results to be announced at the combined December meeting/ annual Holiday Party.

As we age, It becomes more and more important that we get new people involved so that the running of the fun things we do can be spread over more people which make it an easy and pleasant task.

Our club was based on the framework and organization of the Long Beach MG Club. All of the original members of LBMG were TC owners because that is pretty much all that was available at the time. Later LBMG relinquished its exclusivity first to any MG, then to any car. The dedication of our early TC pioneers to the breed resulted in the formation of our club dedicated exclusively to the MG TC in 1954.

We were based on the same setup and design of LBMG down to the same price structure of raffle tickets, meeting and activity

format. The rules limited the term of the President to two consecutive years which was based no doubt on the wide availability of outstanding candidates. It was always the case that no one person should own and dominate the club, hence the rule. Folks could then come back later and serve additional terms for president, just not consecutively.

My two year presidential term ends in December, and it has been most rewarding and a great honor to serve. I have always revered the guild and its members, and

***If you have not  
experienced the  
fun of being on the  
board yet . . .***

always sort of considered myself least on the list- so many awesome people, so many grand times and events. My deepest thanks

go to the current board for their help during my term.

If you have not experienced the fun of being on the board yet, it is your turn now, and we would like to nominate you to share in running your club. With the outstanding team we have, you will find them easy to work with, and not prone to dump a lot of work on you. The activities of the board are shared. We encourage you to become involved and help out.

## GoF West 2011

**GoF West 2011**  
**Reno, NV**  
**June 13-17, 2011**  
**Save the Date**

GoF West 2011 will be held in conjunction with MG2011 which expects 900 to 1000 MGs (all models) at the event.

This large event is put on by the North American Council of MG Registers and held once every 5 years and this will be the first time in west of the Mississippi. The council is comprised of representatives from five registers covering all older MG models (Triple M's, T's, A's B's and C's). For those of us who love these cars, this is a very rare opportunity to see cars from all over the country and meet people who share our interest.

Membership in one of the national organizations is not a requirement for participation – any MG owner can register for MG 2011.

Each national register will be coordinating the individual events and activities of members attending for each register. For pre-1956 MGs, The New England MG "T" Register will coordinate the activities for T-Series cars which attend. GoF West will coordinate the Rally, Funkhona, and Car Show for pre-1956 cars

Registration for MG2011 and GoF West will be handled via the Council's website, [www.MG2011.com](http://www.MG2011.com)

Registration should be set up by late November, 2010.

**Remember to bring  
something for our  
auction as well as toys  
for children in need**

The Toy Drive will support the Foster Children's Resource Center in Los Angeles. They have a real need for toys for children of all ages. These all go to kids who have been uprooted and placed with foster care through no fault of their own.

Board games and baby/toddler items are always needed and made some other suggestions for us to bring: stacking rings, musical toys, games or toys that teach shapes, Monopoly, Operation, Connect Four, Battleship,

Sorry and Twister are all popular choices. Bionacles, Legos, action figures or build something games and dolls are also great.

They DO NOT need books or stuffed animals due to a large donation last year.

For members not attending the Holiday Party and wish to contribute to this worthy cause, donations are welcome. For more information: [assistanceleague.net/foster-children.php](http://assistanceleague.net/foster-children.php)

**Come for auction  
fun. Our auctioneer  
extraordinaire, Art  
Ludwick, will be back.

for your friends to  
bid on.**

## McLish's Motorhouse Ramblings (cont'd)

There is a spreadsheet I made of all the officers of the club since day one, compiled from all our history things and with the help of many members who were there. It is a single page nice revealing piece of history, so many people, so many grand times and events. Get your name on it and achieve instant national and international stature! We would like to nominate YOU to share in running your club.

The November meeting will be on the fourth Tuesday as usual, November 23, 8pm at the bank. Our program will feature our TC Tall Tale Night. The potential is unlimited for the presentation of your tales of amazement, shock and awe. Polish yours up and get ready for some great TC fun.

The final meeting of 2010 will be the Holiday Function at Hotel Huntington Beach, same location as the past two years on Sunday Night December 12. The holiday function is our combined meeting and Holiday function. The price is the most reasonable you will find, \$20 for a fine feast, hors d'oeuvres, and a memorable get together with old friends at one of the finest venues around, with exceptionally fine food. The bar opens at 6:00pm, hors d'oeuvres, dinner at 7:00 pm and program and auction at 8:00 PM. Get your reservations in now. Our deadline is fast approaching. We would like your reservations by the end of the month because the hotel needs time to make their preparations.

Please contact Joyce Edgar now, and send in your dinner reservation. You won't be disappointed. Ask anyone who was there in  
**14** previous years, no

rubber chicken at this place. Each of the dinner choices is excellent. If you are around early, the Sunday Morning brunch is beyond amazing, topping most things you will find at high end restaurants, even at the high end casinos in Vegas. You deserve it, treat yourself, sign up now and reserve your dinner for our December 12 Holiday Party. We will be having our usual auction of those hard to find TC items, accessories, and gifts. Our auctioneer, Art Ludwick has his usual fun in store for us. Discount room reservations at the hotel are available for TC function attendees, and you may contact the hotel for detailed pricing on your room requirements.

I have really enjoyed this. Thank you for the honor of serving as your president for the year the past two years. Peace and Blessings to you and your families.

HAPPY HOLIDAYS

AND

A JOYOUS AND BLESSED  
NEW YEAR

*Don McLish and  
First Lady Jan*
