Brake Wheel Cylinder (F)	Delco 231333
Brake Wheel Cylinder (B)	Wagner 3023
Master Cylinder Primary & Secondary	Wagner 7/8" cup

First printed by TCMG 1972

2002 Update

This list was compiled when TC parts were hard to find. While these replacement parts were readily available 30 years ago, many are now out of production. However many T-series vendors now have new improved items available. There are halogen headlamp conversions, LED tail lamp conversions, and spin-on oil filter adaptors just to name a few.
